SUMMER 2020 PROGRAM UPDATES

Regular Scheduled Camp & Programming Cancelled for Summer 2020

Message from Recreation Director Bryan Miller:

Dear Oak Hill Day Camp Families,

Together we are all entering new territory here in Nashville as we work to ensure the health and safety of our families and our communities during the presence of the COVID-19 virus. Throughout Metro Nashville and Middle Tennessee companies, churches, camps, and families are exploring how they can and will proceed with life this summer. Determining the best ways to safely and effectively provide programs while working within the CDC and Metro Health guidelines is critically important and often complicated.

At OHDC we have come to the conclusion that it is in the best interest of all our campers, families, and staff, to cancel the entirety of the OHDC Summer 2020 programming. We know that for many families this is a sad time as many local camps are adjusting and cancelling their normal programming this summer. On the following page you will find information regarding refunds and processing fees.

We are working within plans and timelines to develop some activities on campus this summer possibly including Social Distance Style Summer Pool Passes, Parents Night Out Dates, and modified formats for horse camp or theater camp. Connect with us on our facebook.com/oakhilldaycamp and on Instagram at [@oakhilldaycamp_nashville](https://instagram.com/@oakhilldaycamp_nashville) for some fun with Captain Crazy and staff from time to time as well as upcoming programming that we can develop as the summer continues.

We also hope to mobilize our OHDC family to help with projects this summer if social distancing guidelines and planning allow. We don't want to just hibernate, but instead be ready to SHINE ON in any way that we can! As always, we would love to chat with you if you have any questions or if we can assist you in any way.

We are always available at recreation@fpcnashville.org or email me at bmiller@fpcnashville.org.

With much love, many smiles, and wishes for God's blessings to you and your family!

SUMMER 2020 PROGRAM UPDATES

**Regular Scheduled Camp & Programming
Cancelled for Summer 2020**

Refund and Contact Information

As we use our automated registration and refund process, we are assessed fees by our banks and systems. To help mitigate some of those costs we will continue our normal processing fee of \$25. However, instead of the normal change fee that is assessed per child, we will charge a one-time processing fee of \$25 per family.

We plan on using the next month and a half to do some renovation and sorely needed upgrades that will make the camp and recreation experiences even better in the future. If you'd like to donate any amount above the processing fee, we would love for our OHDC families to be a part of our continued growth and improvement. We appreciate your understanding and your support.

Please contact **Bryan Miller** at recreation@fpcnashville.org or bmiller@fpcnashville.org for questions or more information.
